2/9/88

(A) [redacted] voluntarily initiated contact with the Portland Division of the FBI wishing to provide information with regard to Senator John Tower and his consideration for Secretary of Defense. This was after watching President Bush on television the night before in a broadcast through which President Bush requested citizens to call in with information regarding Senator Tower.

DOB

[redacted] Vancouver, Wa. 98662 was contacted at his place of business. [redacted] owner of [redacted]

[redacted] Vancouver, Wa. 98661 [tel # [redacted]]. After being apprised of the identity of the interviewing Special Agents and the purpose of the interview he thereupon provided the following information:

(A)

[redacted] stated that back in the mid 60's to 70/71 (1960 - 1970/1971) he was employed by Southern Airways of Texas, Inc. located in Mineral Wells, Texas. [redacted]

b6
b7C

of Southern Airways of Texas was [redacted]. At the time [redacted] recalls the Senator for Texas was John Tower and he was possibly a member or even chairman of the Senate Armed Services Committee.

[redacted] explained that the operation of Southern Airways of Texas, Inc. was conducted at Ft. Worth, Texas. The main function of Southern Airways was to do all initial training on all entry level military helicopter pilots. Southern Airways was contracted for this service by the U.S. Government, Department of Defense during the Viet Nam war. Once the pilots completed their initial training

at Ft. Walters. They went to advanced training at Ft. Rucker, Alabama. Near the end of the Viet Nam war the employees of Southern Airways of Texas realized that their operation would be phased out in that it was obsolete and there would not be a need for primary flight training area. This was due to the fact that this function could be accomplished at Fort Rucker, Alabama. Therefore the pilots of Southern Airways knew their operation would be closed. It was at this time that [redacted] left Southern Airways.

Prior to [redacted] leaving Southern Airways, one of the paychecks he received was \$150.00 less than it should have been. [redacted] explained that at the time he was paid bi-weekly at the rate of [redacted] per month. Hamilton realized that his check paycheck was \$150.00 short and went to the flight commander to complain. [redacted]

recalls the flight commanders were [redacted] and [redacted] was [redacted] immediate supervisor.

[redacted] was informed that the \$150.00 was taken as a campaign contribution. [redacted] vaguely recalls a memorandum

(3)

explaining that the \$150.00 was taken as a campaign contribution for Senator John Tower. In return, Tower would do what he could in his position as Senator and possibly member and chairman of the Senate Armed Services Committee, to keep Ft. Wolters and Southern Airways operation in existence. After reconsideration [redacted] was unsure as to whether this information came through written memorandum or verbal explanation from a supervisor. [redacted] does recall, however that prior to the funds being deducted from his pay he did not authorize the same. [redacted] indicated he was very upset, raised the issue ~~text~~ and ~~in fact~~ was reimbursed the \$150.00. [redacted] was sure that the same amount was ~~later~~ deducted from the other ^{500 or so} employees (approximately 500) pay and does not know what they were told nor whether they were reimbursed.

[redacted] stated he never personally saw Senator John Tower at Ft. Wolters operation but indicated it was possible that Tower had been there. At the time, Tower lived in Whitehouse Falls, Texas which is located approximately 70-80 miles north of Mineral Wells, Texas.

(4)

[redacted] provided ^{two} photographs of employees of Southern Airways. He indicated that most of these men are licensed pilots and that the Federal Aviation Administration (FAA) operational headquarters in Oklahoma City may be able to provide information as to their whereabouts. [redacted] believes that these individuals, if located, may be able to provide information as to the \$150.- pay deduction since they too probably received the same. In particular a [redacted] who was [redacted] to [redacted] [redacted] may be helpful.
